2021 Subject Selection – Year 10

Important considerations when selecting Year 10 subjects:

Towards the end of Year 10 students complete their Senior Education and Training (SET) Plan to set goals for their senior pathway. The ‘Youth Participation in Education and Training Act 2003’, states that it is compulsory for all young people to be either “learning or earning” until they turn 17.

For further information on the senior phase of learning please refer to the ‘SET Plan, Pathways and Senior Subject Selection Handbook’ available on our website.

Students need to consider their interests, strengths and intended career goals as well as pre-requisites for Year 11 and 12 subjects, before selecting their Year 10 subjects. Further details on subjects, VET courses and subject fees are on our website.

The table overleaf shows available subjects for Year 10 students. Please indicate subjects for study in 2021.

Subject selection forms to be returned to enrolments@cairnssde.eq.edu.au

Regards,

Andrew Oliver
Principal
# 2021 Subject Selection – Year 10

Please complete the following for Year 10 subjects 2021:

<table>
<thead>
<tr>
<th>Student Name</th>
</tr>
</thead>
</table>

## Compulsory Subjects
- English
- Maths
- Science
- Humanities and Social Science

**Please choose a minimum of 1 and a maximum of 2 electives (please tick) from the subjects and/or VET courses below**

- Global Food Studies
- Health and Physical Education
- Languages (select from drop down)
  - Chinese, French, German, Indonesian, Italian, Japanese
  - No Language

## VET Certificate Courses

**Completion Time & QCE Credit**
(once competency has been achieved – CA)

**Certificate I** – Please note that credit from no more than two certificate ones contribute to the QCE.

- Certificate I Business
  - One year – 2 QCE credits (no partial credits can be awarded)
  - Contact VET HOD if wanting to enrol after Semester 1
- Certificate I Information Digital Media Technology (IDMT)
  - One year – 2 QCE credits (no partial credits can be awarded)
  - Contact VET HOD if wanting to enrol after Semester 1

**Certificate II**

- Certificate II Skills for Work and Vocational Pathways
  - Two years – 4 QCE credits (partial credit may be awarded)

Students and parents should have read the VET course overviews carefully before making their selection as the practical training components, industry experience and costs vary depending on the course.

All students completing a VET certificate course require a USI. Please refer to pages 12 and 13 of the handbook on how to create one.

Please note VET course fees are non-refundable.
