

Year 1 Humanities and Social Sciences (HASS)

Achievement Standard

By the end of Year 1, students identify and describe important dates and changes in their own lives. They explain how some aspects of daily life have changed over recent time while others have remained the same. They identify and describe the features of places and their location at a local scale and identify changes to the features of places. They recognise that people describe the features of places differently and describe how places can be cared for.

Students respond to questions about the recent past and familiar and unfamiliar places by collecting and interpreting information and data from observations and from sources provided. They sequence personal and family events in order and represent the location of different places and their features on labelled maps. They reflect on their learning to suggest ways they can care for places. They share stories about the past, and present observations and findings using everyday terms to denote the passing of time and to describe direction and location.

Assessable Elements

An overall level of achievement in this subject is determined by the teacher's on-balance judgment of the evidence presented in students' summative assessment across the following:

- Knowledge and Understanding
- Questioning and researching
- Analysing, evaluating and reflecting
- Communicating

Delivery (mode, time requirements, lessons)

Students have access to one 1 hour scheduled lesson each week. Lessons are delivered via the Learning Management System. Students are expected to undertake independent study on their program to complete lessons, tasks and assessment in accordance with the Work Rate Calendar.

Student Requirements

Computer, internet access, email, printer, scanner, headset with microphone and stationery.

Year 1 Humanities and Social Sciences (HASS)

Units, Learning Experiences and Summative Assessment		
Semester 1	Terms 1 & 2	<p>Unit 1 My Changing Life In this unit students:</p> <ul style="list-style-type: none"> • explore family structures and the roles of family members over time • recognise events that happened in the past may be memorable or have personal significance • identify and describe important dates and changes in their own lives • compare aspects of their daily lives to aspects of daily life for people in their family in the past to identify similarities and differences • respond to questions about the recent past • sequence and describe events of personal significance using terms to describe the passing of time • examine sources, such as images, objects and family stories, that have personal significance share stories about the past.
		<p>Summative Assessment: Students identify, describe and sequence personal and family events and describe continuities and changes in aspects of daily life over time.</p>
Semester 2	Terms 3 & 4	<p>Unit 2 My Changing World In this unit students:</p> <ul style="list-style-type: none"> • draw on studies at the personal and local scale, including familiar places, e.g. the school, local park and local shops • recognise that the features of places can be natural, managed or constructed • identify and describe the natural, constructed and managed features of places • examine the ways different groups of people, including Aboriginal peoples and Torres Strait Islander peoples, • describe the weather and seasons of places • represent local places using pictorial maps and describe local places using the language of direction and location • respond to questions to find out about the features of places, the activities that occur in places and the care of places • collect and record geographical data and information, such as observations to investigate a local place • reflect on learning to respond to questions about how places and their features can be cared for.
		<p>Summative Assessment: Students conduct an inquiry to investigate places and their features at a local scale.</p>
