

Positive Behaviours for Learning – PBL

Cairns SDE works within the Positive Behaviour for Learning framework (PBL) to ensure there is a whole school approach to creating a positive learning environment for students. The Student Code of Conduct and the Cairns SDE Matrix of Behaviour Expectations outline the expected behaviours across all settings at Cairns SDE. There are also details about the processes to teach, acknowledge and reward student behaviour, as well as responding to unacceptable student behaviour and reinforcing behaviour expectations.

Staff are encouraged to record **Positive Behaviours** in OneSchool for students who demonstrate acceptable behaviours across the areas of the engagement: participation - assemblies, lessons/tutorials, events; assessment - formative and summative work returns. Student can receive certificates and postcards from their teachers to acknowledge their positive behaviour.

Presentation Awards

Students who consistently demonstrate our school-wide behaviours are presented with the following awards at our annual Presentation Awards Ceremony:
