VET Certificates

Year Level	VET Certificates		
Certificate III Courses			
11 – 12	SUB50	\$450	Certificate III Business

Please note:

Certificate III course fees are based on completion within a 2-year period.

- The above prices reflect the total cost to achieve the certification.
- In the event the student does not complete within the 2-year period, there will be further costs payable to the course provider.

Please select VET courses carefully as there are **no refunds of VET fees**.

Enrolment in VET courses (and access to VET course materials) will not commence until the VET fee invoice is paid in full or an approved payment plan is in place.

*** Indicates VET in Schools VETiS fully funded course – no fee. Students are only entitled to study and complete one course for free under the VETiS funding. For more information regarding VETiS funding, visit the [Training QLD](#) Government website.
