The Australian Olympic Change-Maker program recognises secondary students from around the country who demonstrate the Olympic spirit – friendship, sportsmanship and striving for excellence - both on and off the playing field, through leadership and driving positive change in their school and local communities.

The Change-Maker program provides students with the opportunity to share their ideas, connect with other like-minded people and be immersed in a unique Olympic experience, hearing first-hand from Olympians.

To nominate, students are required to write in 100 words or less: **A description of how you actively demonstrate leadership through sport and/or use sport as a vehicle to improve health and wellbeing and drive social change in our school and/or local community.**

Nomination forms are to be emailed to Deputy Principal Year 10-12 - Mrs Tanya Findlay DeputyPrincipal@cairnssde.eq.edu.au by **Wednesday 3 September 2025** with the subject heading **Olympic Change Maker nomination**. Up to two students will be selected to be nominated by Cairns SDE.

Students who are selected to be nominated by Cairns SDE will receive an invitation to the Change-Maker Forum and a certificate of recognition. They will also be encouraged to submit a one-minute video expressing their interest in attending our National Summit, where 25 young leaders from across the country will come together at the Australian Institute of Sport for a three-day event.
