

Accessing digital textbooks on Campion

Parents who are participating in the Student Resource Scheme (SRS) will be able to access their children's textbooks digitally in 2025. Textbooks will no longer be mailed, instead they will be replaced with immediate access online. If a student changes subjects, access to the new subject textbook will occur within 24 hours.

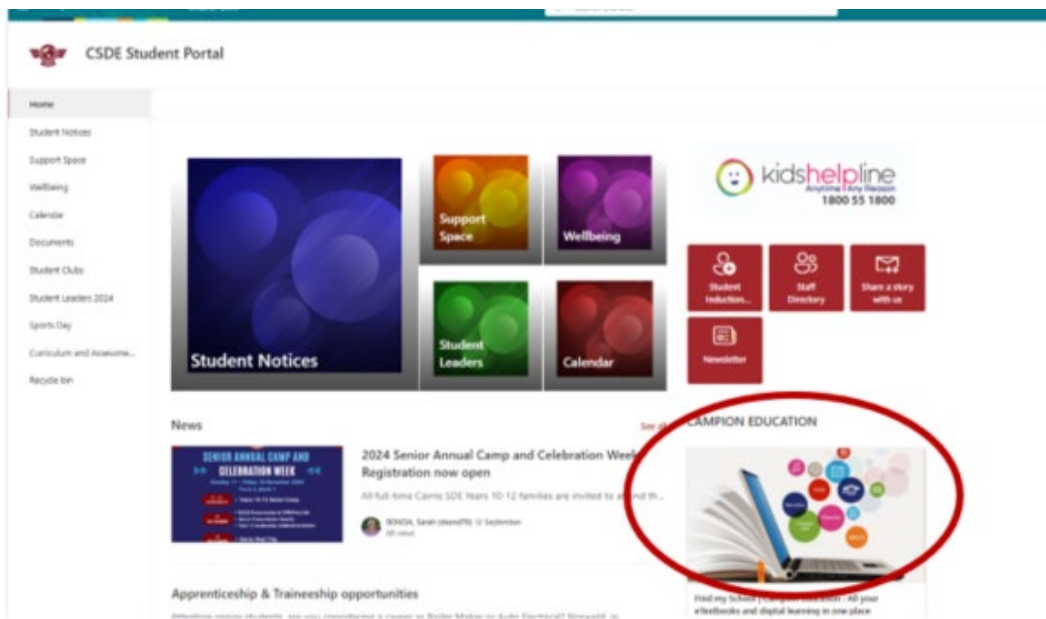

Students in Years 7 & 8 Maths and Year 11 General subjects will engage in a trial access from Week 5 Term 4 at no additional cost to parents.

How to access for Term 4 and in 2025:

Option A: Access through CSDE Student Portal

1. Login to the Cairns SDE Student Portal: <https://gedu.sharepoint.com/sites/3601/student>
The first time you access via the **Campion** tile, will require you to login with your EQ MIS user name (eg. Bobby Bubble: **bbubb9**) and use your password that you normally use to login into EQ platforms/EQ email. Follow the instructions in Option B from Step 2 onwards.

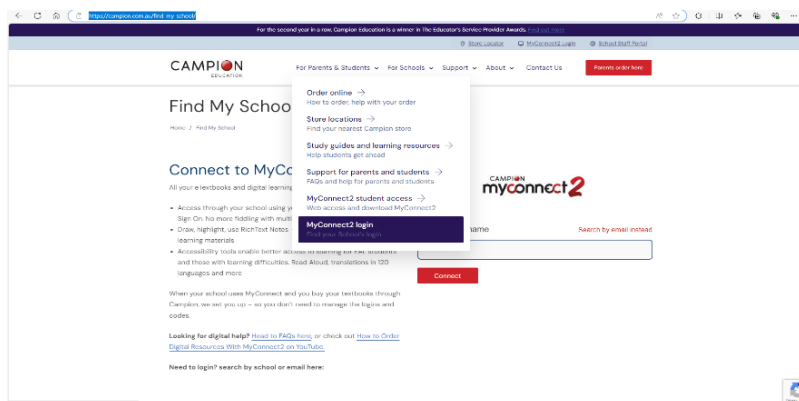

Once this is set up, clicking on the tile will take you directly to your Bookshelf in Campion.

Option B: via Campion website

1. Google Campion: <https://campion.com.au/find-my-school/>
2. Select **For Parents & Students – MyConnect2 login**

3. Takes you to Find My School login. Enter Cairns School of Distance Education – click on

Connect to MyConnect2

All your eTextbooks and digital learning in one place:

- Access through your school using your school login, for secure Single-Sign On. No more fiddling with multiple passwords!
- Draw, highlight, use RichText Notes – making it easier to engage with learning materials
- Accessibility tools enable better access to learning for EAL students and those with learning difficulties. Read Aloud, translations in 120 languages and more

When your school uses MyConnect and you buy your textbooks through Campion, we set you up – so you don't need to manage the logins and codes.
