

Year 9 Geography and Enterprise

Note: Geography and Enterprise in Year 9 is an Elective subject.

Achievement

Geography and Enterprise is an innovative elective that combines geographical inquiry and economics and business decision-making skills outlined in the Australian Curriculum Version 9.

Assessment Criteria

An overall level of achievement in this subject is determined by the teacher's on-balance judgement of the evidence presented in students' summative assessment across the following:

- Geographical Knowledge and Skills
- Economics and Business Knowledge and Skills

Delivery (mode, time requirements, lessons)

Students have access to live sessions that are recorded, and attendance is highly recommended for clarification, assistance and discussion. Students are expected to complete all tasks and assessments in accordance with the Work Rate Calendar. All course materials can be accessed via our designated Learning Management System (QLearn).

Student Requirements

Computer, access to internet, email, printer, scanner, headset with microphone, audio visual software/devices, exercise book, stationery (including coloured pencils).

Units and Learning Experiences, Summative Assessment, Criteria Assessed		
Semester 1 and 2	Term 1 and 2	Unit 1: Geography of Mysteries Driving Question <i>Can geographical inquiry solve the world's greatest mysteries?</i> Students investigate an unexplained geographical mystery of their choice while developing geographical inquiry skills including research, mapping, data interpretation, spatial analysis and evidence-based conclusions.
		Summative assessment Students complete a geographical investigation on a pre-approved geographical mystery.
	Term 3 and 4	Unit 2: Designing Solutions Driving Question <i>How can entrepreneurial thinking solve real-world problems?</i> Students investigate how businesses respond to community needs by identifying problems, researching consumers, analysing markets and designing an innovative product or service.
		Summative assessment Students develop a professional Business Proposal Portfolio presenting an innovative solution to a real-world problem.
