Dear Members,

Enclosed are the nomination forms for the P&C Office Bearers for 2017. As you can see by the number of positions the workload is shared.

Our P&C has a very pro-active role within the school. The meetings are a forum in which parents and home tutors discuss with the Principal and the PLO Officer the latest educational updates, along with many other school issues that are brought to our attention.

The primary role of the P&C is to:

- foster community interest in educational matters.
- encourage closer cooperation between the parents of students attending the school, other members of the community, staff and students of the school.
- provide advice and recommendations to the Principal of the school on issues and concerns in respect of students and the general operation and management of the school.
- provide or assist in the provision of financial or other resources or services for the benefit of students of the school.
- perform any other functions, not inconsistent with the Act, as the Minister may decide.

Through sharing opinions/views/concerns and supporting each other I believe that over the many years, this has contributed to our school being a great one.

Thank you to the many members over the years for supporting the P&C.

If you have any questions regarding nominating yourself or someone else, please do not hesitate to contact me through my email.

Yours sincerely
