2017 OLC Cairns SDE Scope and Service Information

Fulltime enrolment service:

OLC - Cairns SDE delivers programs via blended learning (online and weekly face-to-face on-campus sessions) to young people residing in the Cairns suburbs between Anderson Road (Woree) and the Barron River.

*Young people residing south of Anderson Road and north of the Barron River may not be able to access weekly face-to-face on-campus program delivery if a Transport Plan cannot be provided on enrolment.

OLC—Cairns SDE

Service Commitment:

The service commitment of the OLC Cairns SDE is to ensure every young person has a clearly defined pathway and are supported to work towards their exit goals of:

- achieving a QLD Certificate of Education (QCE) or QLD Certificate of Individual Education (QCIA), or
- transitioning to a clearly articulated Vocational Education and Training (VET) or University pathway, or
- transitioning to quality paid employment.

As part of this service commitment and delivery of programs, young people will have:

- an Individual Learning Plan (ILP)
- access to online learning platform
- access to face-to-face on-campus contact sessions (within enrolment criteria)
- access to therapeutic, engagement and educational case management to support identified needs
